

New Hope Volunteer Partnership Agreement

We are so excited to be working with you in your role as volunteer at New Hope Church. We chose to call our relationship a partnership because there are things that we want you to be able to count on us for, as well as areas that we want to count on you. Our hope is that the time you spend volunteering at New Hope will be meaningful and help you to feel like part of the team helping people take one more step in their journey towards finding Jesus or growing in their faith. All of the jobs within the church are valuable and necessary for the accomplishment of our mission – *to help all people become fully devoted followers of Jesus Christ*. Working together as a team, there's nothing we can't accomplish!

We commit to:

- Provide the training that you need to do your job well.
- Recruit volunteers to the best of our ability so that the load is shared.
- Provide support and encouragement.
- Listen to your suggestions and concerns.
- Keep the “why” of what you do out in front of you.
- Help you find a replacement if you can't work the week you are scheduled, if you are unable to do that on your own.
- Give you a reminder during the week before the Sunday you are scheduled to serve with any pertinent information regarding your area.
- **Pray for you.**

Your commitment as a volunteer of New Hope:

- I will do my best to help my team be successful by working with a good attitude, encouraging my fellow team members, following direction given by my team leader, and keeping my relationships with them healthy.
- I will arrive on time for my volunteer opportunity unless an emergency prevents me from doing so.
- If I am not able to work on the week that I'm scheduled, I will do my best to find a replacement (where applicable) and then notify my team leader of the changes.
- When I have questions or concerns regarding my team I will take them directly to my team leader.
